Dear Sir/Madam/Ms,

## **JETAL DESAI – A BOUQUET**

I am writing to express my gratitude to Jetal Desai for the excellent service I received when your company carried out a printing order for us recently.

Mr. Desai went out of his way to be helpful with his advice on layout, design and choice of paper and kept me notified throughout the progression of the work. The result was a stylish publication that has been well received by our members.

Mr. Desai's courtesy and professionalism made him an excellent ambassador for your company and I would be grateful if you'd pass on my sincere gratitude.

I look forward to doing business with you again in the future.

Yours fraternally,

**MICK TEECE**
