Dear Peter,

**Re: Programme for Construction Professionals Dinner 2006.**

Just a short note on behalf of the Nottingham & Derby Society of Architects and the Halsall Lloyd Partnership, to thank you and your staff very much indeed for all the effort and input into the final product for the programme for the Construction Professionals Dinner last Friday evening. We had many favourable comments about the programme (and tickets) and a good evening was had by all.

Many Thanks.

Yours sincerely
