Dear Peter

After dealing with Instaprint for over 15 years now, I would just like to say thank you for all the help you have given us in the past.

Your friendly staff are always willing to come in early or stay late to complete our jobs on time, no job is too difficult and the work produced is always to a high standard.

The service you offer adds value to our business.

I look forward to the continuation of the excellent working relationship.

Well done!

Yours sincerely
